BACK TO SCHOOL NEWS

This summer, students from the Seagull Academy for Independent Living enjoyed an eight week camp, co-sponsored by the Therapeutic Recreation (T. Rec) Center. Thirty-five students and eight staff members participated in the program, which included field trips to a Marlin's baseball game, Lion Country Safari, a Jupiter Hammerheads' game, the Rapids Water Park, a sailing outing and weekly trips to county splash parks. The campers also prepared and sent care packages to deployed soldiers through Forgotten Soldiers

With the summer drawing to a close, Seagull teachers and staff are getting ready for the first day of school on August 17, 2010. This year, they will be introducing a new monthly seminar program with guest speakers who will cover personal, banking, community service and other daily life skills topics. In September, students will participate in one of their favorite activities, Special Olympics Bowling. Over 300 participants will compete at the event. Our students are looking forward to the challenge!
