

Seagull Industries for the Disabled, Inc.

COMING TO FLORIDA?

WONDERING WHETHER THERE IS AN ORGANIZATION READY TO MEET YOUR LOVED ONE'S NEEDS WHILE YOU ENJOY THE WONDERFUL LIFE-STYLE

SEAGULL INDUSTRIES FOR THE DISABLED, INC. IS YOUR ANSWER!

Seagull has been serving developmentally challenged individuals since 1979.

For adolescents, we have a wonderful **CHARTER SCHOOL, SEAGULL ACADEMY FOR INDEPENDENT LIVING**, that serves middle and high school students up to the age of twenty two. It is located in **WEST PALM BEACH**.

For our adults, we offer two very different **RESIDENTIAL PROGRAMS**.

SEAGULL PLACE is licensed as an assisted living facility, and serves twenty four men and women. It is located on **SINGER ISLAND (RIVIERA BEACH)**, just walking distance to a wonderful beach with restaurants, shopping and a beautiful park.

The **WILLIAM AND JUDITH COOLEY RESIDENCE** is in the country – on 20 beautiful acres known as **T & M Ranch**. Lots of room to roam, and we have it all – the horses, chickens, goats, and a nursery. It's located 40 minutes from West Palm Beach.

Accommodations at both residential programs are first rate. Both facilities have been recently renovated and they are beautiful. We offer private and semi-private rooms for our residents.

Our residents participate in daytime vocational programs – **SEAGULL WORKSHOPS** or **SUPPORTED EMPLOYMENT**. In the **WORKSHOPS**, we provide packaging, light assembly, and distribution services for local, regional, and national customers. In **SUPPORTED EMPLOYMENT**, we offer opportunities to participate on lawn crews, industrial cleaning crews, and factory enclaves.

Those that desire **COMPETITIVE JOB PLACEMENT** are provided the opportunity to work in various restaurants, health care facilities, wholesale and retail companies of all types.
