## PARENTS: SEAGULL NEEDS YOU!

**THE PARENTS ADVISORY COUNCIL** encourages every parent who has a child in a Seagull Industries program to become involved and make a difference for their son or daughter. Not only parents, but family relatives and friends are welcome. The next meeting is **October 2nd** and is an important planning session for end of the year fund raising. Council members get together at ten a.m. at Seagull HQ at 3879 Industrial Way, West Palm Beach.

In these difficult economic times, Seagull needs the involvement of parents more than ever. Barbara Spiritus, Council President, says "As parents, we are the ones responsible for assuring that quality education and services continue to be available for our children. We cannot rely on others to provide for them. The future of our sons and daughters rests in our hands."

For more information on the Parents Advisory Council, call Barbara at 790.0284 or Fred Eisinger at 842.5814 x 131. Hope to see you on October 2nd!

## SCHOOL NEWS

This summer students Janiqua F. and Marisel C. and teacher, Joyce O'Hara, were invited to represent Seagull Academy at the Florida Youth Leadership Forum (YLF). YLF brings rising juniors and seniors together for a week-end retreat in Tallahassee to learn about community and academic resources, career options and personal leadership. On the first day of school, Janiqua and Marisel shared their experiences with their classmates using their personally created PowerPoint presentation.

Ms. O'Hara says that the growth in these students has been remarkable. "Both of these young ladies were extremely quiet and reserved last school year, but they have already stepped into more peer leadership roles this school year. They really want to return to YLF next summer. Janiqua has already completed the necessary community service hours to qualify, and Marisel is well on her way. All of us at Seagull Academy are enormously proud of them."
