In the past months, the Seagull Academy for Independent Living, a charter school program of Seagull Industries, has enjoyed great support from the community.

Parent volunteers held their first ever Annual Spaghetti Supper in April. The event was chaired by Lori Lapidus and the food was provided through the generosity of Publix. Funds raised were used to underwrite students' prom expenses. The Junior League of the Palm Beaches provided a grant for reading curriculum. The school entered into a new after-school program with the Chrysalis Center; an on-site work training program with the Palm Beach County School District Food Services; and a summer program with the Palm Beach County Therapeutic Recreation Center. Seagull Academy students' achievements this year include:

- 2 students selected to participate in the Junior Leadership Forum in Tallahassee
- 17 students obtained jobs, including part time, temporary, and full time positions
- 7 students graduated
- Students earned the Palm Beach County Special Olympics Outstanding Team Award, including 3 Gold Medals, 5 Silver Medals, and 1 Bronze Medal

Seagull Industries is looking forward to your support with our new school and our 2010-2011 academic year!
