

Seagull Industries for the Disabled, Inc.

Past Seagull Board Presidents Dave Fritz, Mickey Nolen, Cathy Ford, Gerard Conforti join Fred Eisinger as he celebrated 25 years of service at the Seagull Celebrates Evening

Friends, families, and supporters of Seagull Industries for the Disabled came together on May 18th for a special night of celebration. The event marked the grand opening of the new Seagull Academy for Independent Living campus now located at 6250 North Military Trail in Riviera Beach. Guests toured the new facility, which will house the high school and allow Seagull to expand to a middle school in August. Also celebrated that evening were the volunteers of Seagull Industries, the donors, corporations and foundations who have supported Seagull in the past year, and Seagull board members Rob Von Stralendorff, Tom Arth, David Berger, Karin Mannchen, Laura Fowler and immediate past president, Gerard Conforti. The night finished with a "mini-roast" of executive director Fred Eisinger as he marked his 25 years of dedicated service to Seagull Industries. Speakers on hand to reminisce included Barbara Spiritus, Linda Moore, Mickey Nolen and Gerard Conforti. Board President Laura Fowler of FPL served as the evening's m.c. After Fred's musings on the past 25 years, the evening culminated in the presentation of a \$25,000 check to Fred for the Harry and Frieda Eisinger Fund, established by the Board of Directors to honor his 25th anniversary.

The Tenth Annual Seagull Golf Tournament was a resounding success thanks to the the generosity of community sponsors, corporations, volunteers, party-goers and golfers. At Iberia Bank in downtown West Palm Beach, Cinco de Mayo revelers enjoyed an after hours event that featured great food, great auction items and great company. The next morning, golfers nearly made it through the tournament dry until the skies opened up on the last hole. But the welcoming ambiance and luncheon fare of the Bear Lakes Country Club picked up all the soggy spirits. Placing 1st Gross was Team Conforti; 1st Net, Team FPL; 2nd Gross, Team Eagle Shipping; 2nd Net, Team Pfeffer & Associates; 1st Place Women's Team Wilmington Trust; Longest Drive, Chris Pretorius and Closest to the Pin, Morris Allnatt.

Seagull is still counting the dollars. We will let everyone know how much we raised this year as soon as we reconcile all the accounts.

Fred Eisinger, Anne Dichele and Kenneth Kennerly

The First Annual Honda Classic 5K Run & Walk held on a beautiful January morning at the PGA National Resort & Spa was a huge success and raised \$17,000 for Seagull Industries for the Disabled programs for children and adults with intellectual disabilities. The event was presented by VirtualBank with the support of PGA National Resort & Spa, the City of Palm Beach Gardens, Nozzle Nolen and FPL.

Fred Eisinger, Executive Director of Seagull Industries expressed his gratitude to the Honda Classic organization. "It is the dream of every non-profit organization to be associated with an organization as well respected and well known as the Honda Classic. We loved being in on the ground floor of the establishment of the 5K Run, and we look forward helping Honda build the Run into one of the most successful events of its kind in the United States. We want to thank Ken Kennerly and his staff for being so wonderful to us."

Kenneth R. Kennerly, The Honda Classic Executive Director commented : "The Honda Classic was thrilled to partner with Seagull Industries on our inaugural Honda Classic 5k Run & Walk event this past January. Our first year turn-out of over 450 runners is a direct reflection of the community's support for Seagull Industries, and we (The Honda Classic) could not be happier with our partnership, and look forward to our 2012 race on January 14th."

See you there!

Fred Eisinger, Mary Helen Johnson of PNC Bank, and Gerard Conforti

The PNC Foundation has awarded a \$10,000 grant to Seagull Industries. The grant was given for renovations at the new location of the Seagull Academy for Independent Living (6250 N. Military Trail, Riviera Beach).

The PNC Foundation, which receives its principal funding from The PNC Financial Services Group, Inc. (NYSE: PNC), actively supports organizations that provide services for the benefit of communities in which it has a significant presence. The foundation focuses its philanthropic mission on early childhood education and community and economic development, which includes the arts and culture. Through its signature cause, *Grow Up Great*, PNC has created a 10-year, \$100 million initiative to enhance early childhood education and school readiness.

Mary Helen Johnson, Vice President, PNC, currently serves on the Seagull Industries for the Disabled Board of Directors.

Anne Dichele, Fred Eisinger and Kelly Sobolewski, Bank of America

Bank of America Foundation has awarded a \$10,000 grant to Seagull Industries to support Seagull's Homeless Program, an initiative which rescues homeless people with intellectual disabilities. For over four years, Seagull Industries for the Disabled has been providing persons with disabilities who were living on the streets homes, jobs and training. Seagull has worked with these clients, most of whom have no family, to secure health care and the appropriate services needed to rebuild their lives. Initially Seagull Industries began this initiative without funding. But the agency has come to realize that addressing the problems and number of homeless persons with disabilities in the community requires more extensive financial backing. The Bank of America Foundation is the first organization to provide funding for Seagull to assist homeless persons with intellectual disabilities and to recognize that these individuals, most who have trouble communicating and can barely read at a third grade level, are ill-equipped to survive without assistance.

Seagull executive director Fred Eisinger observes: "Seagull Industries for the Disabled is honored by a \$10,000 grant from Bank of America. We applaud its support of our efforts on behalf of children and adults who are "homeless and developmentally challenged." We sincerely hope that others in our community - businesses, private donors, private foundations, and government funders- will follow this example and support our work on behalf of this very vulnerable population."

The United Way of Palm Beach County has awarded Seagull Industries a \$55,000 grant, \$35,000 for Seagull Academy for Independent Living and \$20,000 for Work Makes Cents, to further our work to help children and adult with intellectual disabilities develop the skills to find jobs.

Peter Breton, Karen Marcus, Fred Eisinger, and Karin Mannchen

The Board of County Commissioners, with Karen Marcus as chairman, presented Seagull with a resolution declaring May as Seagull month in Palm Beach County, recognizing all of our programs, our position as Non-Profit of the Year for 2010-2011 for the Chamber of Commerce of the Palm Beaches, and Fred Eisinger's 25th anniversary of service as executive director. Seagull vice president Peter Breton and outgoing secretary Karin Mannchen attended the commission meeting with Fred Eisinger to accept the award.
